Dear parent/guardian

RE: Uniform changes - PE kit tracksuit bottoms

We continually strive to promote a smart student image in all aspects of education and to build on our reputation within the wider community. We feel that a student's image can have a significant impact on their performance and attitude towards their education and life.

With this in mind, we have taken into consideration some requests from parents for tracksuit bottoms to be included within the PE kit.

The PE kit has been available to buy since July 2017 the new PE tracksuit bottoms will be available to purchase from the Motif Marketing in Milton and Smart School Uniform in Newcastle. We understand that replacing the PE kit can be expensive so we are asking our current parents to purchase the new PE items as and when their existing PE kit needs replacing. However, we would expect that all our students have the complete new PE kit by September 2018.

If you have any queries then please do not hesitate to contact Mr Ashman, at the school.

Yours sincerely

Mr L Ashman
Head of Physical Education
