

27 November 2017

Dear Parent/Guardian

RE: Y11 Parents' Evening – Thursday 14 December 2017

Thursday 14 December is the date of the Year 11 Parents' Evening. This evening will begin at 4:00pm and will finish at 7:00pm. The Parents' Evening is an opportunity to come and discuss the progress your child is making in each of their subject areas. We would like to celebrate success in the areas in which your child is doing well and also work together to improve progress in the subjects where expected progress is not currently being made.

Each child will be issued with an appointment card and they are responsible for making these appointments with their subject teachers. Please inform your child of the times when you are available.

We would also like to update you on the additional support we are providing for year 11 students as they prepare for their final exams next summer. Each day of the week we have '**Period 6**' revision and practice sessions between 2:50pm and 3:50pm.

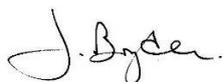

Mondays:	English and Mathematics
Tuesdays:	Option subjects
Wednesdays:	Science
Thursdays:	Option subjects
Fridays:	Option subjects

Each 'Period 6' session is prepared for a particular group of year 11 students to help them improve in a specific area of weakness before next summer's exams. Students will know in advance which 'Period 6' sessions they must attend and registers will be taken in every session. It is essential that year 11 students attend every 'Period 6' revision and practice session provided for them. We would be grateful for your support in ensuring that these sessions are attended, as they will help each student gain the best possible grades next summer.

If you have any questions please do not hesitate to contact the school.

We look forward to seeing you at the year 11 Parents' Evening on Thursday 14th December.

Yours faithfully

Mr J Bryden
Assistant Head Teacher
