

January 2018

Dear Candidate

I am very pleased that you have requested our application pack for the post of Teacher of Mathematics at Birches Head Academy.

This is an exciting time at Birches Head Academy as the school has made dramatic improvements and has seen a complete culture change during the last 2 years.

The school continues to work in partnership with the Alpha Academies' Trust. This close partnership work across the city and beyond ensures all our students have the very best opportunities and outcomes.

Furthermore the Secretary of State for Education has agreed in principle for Birches Head Academy to join the Alpha Academies Trust and we hope to have completed this procedure by September 2018.

The school has excellent facilities and has undergone extensive building work under Building Schools for the Future.

I have very high aspirations for the young people at Birches Head Academy. I want the very best for them. If you feel you can make a contribution to this important enterprise then I look forward to receiving your application.

If you would like to discuss this vacancy or visit the school please contact Mr Lee Berrisford (Assistant Head) or contact Rebecca Leyland, Head's PA and Office Manager by email [rleyland@bircheshead.org.uk](mailto:rleyland@bircheshead.org.uk)

Yours sincerely
