

Do you have the Schoolgateway App?

Attention all parent and carers,

The School Gateway App is the best way to communicate with the school and stay up to date with all things school related.

You can directly message the school, see your child's timetable, current attendance percentage and much more!

All correspondence and information that is sent out to parents/carers can also be accessed here. As well as the ability to update or amend any of your contact details.

To gain full access to all of the information available within the School Gateway app, your email address and contact telephone number **MUST** be the same as what we hold for you on our systems. See overleaf for a "How To" guide on downloading and setting up the School Gateway app.

We are encouraging all parents to download the School Gateway app to enable easier and quicker direct contact with us here at Birches Head Academy, as well as all the other benefits.

If you have any questions, need any help setting up the app or need to update/change any of your details please contact the main office, Monday - Thursday 7.30am and 4.00pm and Friday between 7.30am and 3.30pm. Email us on info@bircheshead.org.uk or telephone on 01782 233595 and a member of the team will be happy to help.

Many Thanks
Birches Head Academy
