What will I be learning about in this Learning Programme?

During this LP, you will be learning about Shakespeare's play Othello the plot, the characters and the key themes.

Where have I seen this learning before?

You have studied two of Shakespeare's plays during your time at Birches Head Academy: The Tempest in Year 7 and Macbeth in Year 8. You will have studied a Shakespeare play in primary school too, and as such you have a solid foundation of knowledge to help you understand this play.

What could I use it for?

An understanding of Shakespeare's plays is helpful knowledge for your study of English Literature at GCSE. also Shakespeare's stories are widely referenced in other books, films and plays, and so studying Shakespeare can enhance an understanding of other forms of writing.
