The values we are learning about are compassion and honesty

Compassion - sympathy and concern for the suffering or misfortunes of others

Honesty - being truthful and refraining from cheating or lying

What will I be learning about in this Learning Programme?

In this LP, you will be exploring a range of 'big' questions, known as 'ultimate questions'. You will explore different responses to these questions, looking at religious and non-religious viewpoints. You will use what you have learnt to devise your own answers to ultimate questions. explaining your thoughts

Where have I seen this learning before?

You may have learnt about religious views in primary school, but you do not need to know about any particular religion to succeed in this topic. You may also utilise your own knowledge of religion if you are practising.

What could I use it for?

You will build upon your learning in this LP in every RE lesson throughout the rest of your time at BHA. Every other LP relates to one or more ultimate question, so you will add to this knowledge lesson-by-lesson.
