the learning programme

Loric for LP3 is Resilience

The values we are learning about are respect and justice		BBC bitesize - design	
Respect - a feeling of deep admiration for someone or something elicited by their abilities, qualities or achievements Justice - fair behaviour or treatment			
<p>What will I be learning about in this Learning Programme? How to explore ideas from makers to develop your own ideas. How to effectively explore a range of technical and creative processes. To reflect, review and analyse the work of selected makers.. Where have I seen this learning before? In KS3, you used a range of techniques to record observations, explore materials, analysed the work of others and developed a sound knowledge base to explore this subject further. You will develop ideas explored last LP. What could I use it for? You will apply these skills extensively in order to develop your GCSE portfolio</p>
