

Year 8 Geography Learning Programme 3

Reading texts that pupils will study during the learning programme

Loric for LP3 is Resilience

The values we are learning about are respect and justice		Factors affecting climate; Hurricane Katrina news report; Beast from the East news report.
Respect - a feeling of deep admiration for someone or something elicited by their abilities, qualities or achievements Justice - fair behaviour or treatment		
What will I be learning about in this Learning Programme? We are learning about weather conditions in the UK and hazardous weather events globally.		
Where have I seen this learning before? I will use my knowledge of the water cycle in KS2; Y7 LP2 'Exploring Britain'. What could I use it for? You will need this knowledge in Y11 LP3, 'Natural Hazards'.		

In LP3.1, I will know :	06/01/2025 - (WK 2)	Behaviour to support the values: STEPS/SLANT	Homework
differences in climate across the UK; about global climate patterns.		I will show respect by actively listening to others	Homework tasks are located in the Knowledge Organisers

In LP3.2, I will know :	13/01/2025 - (WK 1)	Behaviour to support the values: STEPS/SLANT	Homework
factors which affect climate; how pressure systems affect weather.		I will show justice by speaking up when something is not right	Homework tasks are located in the Knowledge Organisers

In LP3.3, I will know :	20/01/2025 - (WK 2)	Behaviour to support the values: STEPS/SLANT	Homework
how to create and carry out a Geographical Enquiry; how to present, analyse and draw conclusions from my own climate data. Extended Task		I will show respect by being punctual and not wasting the time of others	Homework tasks are located in the Knowledge Organisers

In LP3.4, I will know :	27/01/2025 - (WK 1)	Behaviour to support the values: STEPS/SLANT	Homework
how the three types of rainfall occur; what a tropical storm is.		I will show justice by being inclusive and accepting everyone regardless of our differences	Homework tasks are located in the Knowledge Organisers

In LP3.5, I will know :	03/02/2025 - (WK 2)	Behaviour to support the values: STEPS/SLANT	Homework
the structure of a tropical storm; the causes and effects of tropical storms.		I will show respect by taking care of the school property	Homework tasks are located in the Knowledge Organisers

In LP3.6, I will know :	10/02/2025 - (WK 1)	Behaviour to support the values: STEPS/SLANT	Homework
a case study of a tropical storm: causes and effects; how tropical storms can be managed. Extended Task		I will show justice by supporting others of seeking help when required	Homework tasks are located in the Knowledge Organisers

LP3 RLW, I will:	24/02/2025 - (WK 2)	Behaviour to support the values: STEPS/SLANT	Homework
review my learning, recalling and applying key knowledge, focus on closing any gaps in my knowledge and prepare effectively for the upcoming assessments.		I will show respect by actively listening to others	Homework tasks are located in the Knowledge Organisers

In LP3.7, I will know :	03/03/2025 - (WK 1)	Behaviour to support the values: STEPS/SLANT	Homework
a case study of recent extreme weather event; how weather hazards can be managed effectively.		I will show respect by recognising and celebrating the achievements of myself and others	Homework tasks are located in the Knowledge Organisers

Resources to support learning:

Lesson resources on Synergy; Geog. Textbooks; Knowledge Organiser.

FFET Award Challenge for this Learning Programme:

Watch the weather forecast every day for a week and keep a weather diary for the Midlands. How and why is the weather changing?
