Loric for LP4 is Initiative

The values we are learning about are integrity and gratitude

Integrity - Being honest and having strong moral principles

Gratitude- the quality of being thankful and showing appreciation

What will I be learning about in this Learning Programme?

You are learning to explore how writers use language to create meaning and effect and using this to inspire your own transactional writing about the power of nature.

Where have I seen this learning before?

You have used these skills throughout KS2 when you have looked at and written different Fiction and Non-Fiction texts

What could I use it for?

You will use it whenever you read a new text to help you explore deeper meanings and writers intentions or are required to write a transactional piece of work.

Non-fiction texts from a variety of different genres; for example magazine articles, brochures, guides, media clips from speeches, etc.
