Resources to support learning:			
Materials are uploaded by class teachers onto Synergy for pupils to access. It would also be beneficial for you to access newspapers and online articles, as you will begin to identify prejudice and discrimination within our society and beyond, this will then enable you to consider how to address this issue.			
FFET Award Challenge for this Learning Programme:			
Find an example of prejudice or discrimination in the news and write a poem or piece of spoken word about the issue and how to resolve it.
