

Year 11 Health & Social Care Learning Programme 2

Vocabulary to be taught using the frayer model

Loric for LP1 is Organisation

The values we are learning about are compassion and honesty

Compassion - sympathy and concern for the suffering or misfortunes of others

Honesty - being truthful and refraining from cheating or lying

What will I be learning about in this Learning Programme?

Component 2 – Understanding the skills, attributes and values required to give care.

Where have I seen this learning before?

Completion of component 1, the understanding of individual development, how it affects people and the key factors that promote development.

What could I use it for?

When completing your component two work for submission, in your component 3 learning and also in the wider context of understanding the support that can be offered to you or others when experiencing life events.

Tertiary, domiciliary, advocacy, resilience, inclusion, empathy, palliative care.
