What will I be learning about in this Learning Programme? This LP is the second of the GCSE specification, focussing upon the nature and significance of issues surrounding family life and relationships. In this LP, we learn about a variety of relationships and divergent Christian views on these. We consider equality in families and in faith, considering why there are different views on this.			
Where have I seen this learning before? This LP builds on our learning in year 9, as we have already considered areas surrounding relationships and their impact on ourselves and others. Our LP1 learning about matters of life and death provides the basis for our learning here, allowing us to think more deeply about issues relating to sanctity of life and our relationships with others.			
What could I use it for? We will apply our learning about Christian Beliefs and Living the Christian Life to the concepts learnt here. This means we will be able to make links between the content learnt here and future content as our GCSE learning progresses.
