

Year 11 Music Learning Programme 4

The LORIC skill focus for this LP is: INITIATIVE.

The Moral Values foci for this LP are: INTEGRITY and GRATITUDE.

Integrity - Having strong moral principles. I will show integrity by taking responsibility for my actions.

Gratitude - Feeling and expressing thanks. I will show gratitude by saying please and thank you.

What will I be learning about in this Learning Programme?

Pupils will be continuing to complete their Component 3 exam, using all of their learnt skills from across the course to create a reinterpretation of a song in response to a brief.

Where have I seen this learning before?

Pupils have practiced responding to a brief in previous learning programmes and have gathered the skills and knowledge to be successful in Component 3 across the course.

What could I use it for?

If you are considering going onto post 16 qualifications in music, the skills you have gained will be useful in any college music course e.g. listening to music and picking out key features, use of the DAW (Garageband), understanding of the musical elements. Aside from education, the ability to respond to a set of instructions, plan out a response and reflect on progress/an outcome is a useful skill in many types of job or post 16 course.
