What will I be learning about in this Learning Programme? In this LP, we will explore the nature and significance of social justice, which links to the key aim of the Frank Field Trust. We will consider situations where social injustice has occurred and look further into individuals who have worked to achieve justice throughout history. We will also discover how we can be actors for social justice in the world today. Where have I seen this learning before? This LP builds on our learning about prejudice and discrimination in year 8.
